TRYING TO NULLIFY AN IMPORTANT LAW

IMPORTED STRIKE BREAKERS OF TONOPAH APPEAL TO SUPREME COURT.

There has been some talk of appealing from the decision of the district court which upheld the sentence of Green, the man convicted of carrying a concealed weapon. It is believed, however, that the convicted man will serve his sentence.

Not so with the imported strike breakers of the Tonopah and Goldfield railroad who were convicted at Tonopah a few weeks ago. Judge Averill sustained the sentence of the convicted men and handed down a strong opinion on the matter. I

now appears that the employers of the convicted men are not going to let the matter rest but have appealed to the supreme court.

Hugh Brown of Tonopah, republican candidate for supreme judge two years ago, is representing the strike breakers, in the appeal. The case is being stubbornly fought by Cleve Baker, the brilliant young district attorney of Nye county. He made an able argument in support of the law before the supreme court at Carson this week. If the strike breakers succeed in gaining their freedom it will result in knocking out the concealed weapon law in Nevada.—Ely Expositor.

The Deloraine sisters will appear at the Big Casino tomorrow night in new singing and dancing specialties.

GRIMMETT FIRED THE FIRST SHOT

**POSITIVE STATEMENT REGARD-
ING THE BEGINNING OF THE
FATAL ENCOUNTER.**

Shortly before the noon recess yesterday in the Grimmitt murder case now on trial before Judge Somers and jury, the state rested its case and a recess was taken until 3 o'clock.

The morning session was given over principally to the testimony of J. C. Taylor, who upon the day before was not well enough to tell the story of his tragedy. Taylor said he had come into the bar room of the Mina hotel where the shooting took place a few minutes before the shots were fired. Baker, he said, hurried past him into the pool room and picked up a cue and started toward Grimmer. Witness interfered and took the cue away from him after which Baker hurried around the bar with the remark, "So it's a gun fight you want?" Taylor moved toward Grimmer but observed Baker get a gun from a drawer behind the bar and then moved down toward the back end of the bar and away from Grimmer, having his back turned toward the latter.

Taylor testified that Grimmer calmly pulled his gun and fired the first shot. It missed and Baker turned slightly and both men fired simultaneously, Baker falling to the floor and Grimmer went outside through the open front door on the sidewalk.

Witness stated that Baker had given Grimmitt a certain interest in the hotel gambling and he once overheard Grimmitt confess to having cheated Baker at cards.

James "Shang" Stark of Mina testified that he saw Grimmer fire the first shot while Baker's back was turned. He also said he saw Grimmer fire the second shot but did not see Baker shoot at all as his eyes were on Grimmer's gun.

George W. Cheek, formerly a bartender of the hotel, also testified for the state and W. A. Gillilan was recalled but not allowed to testify under objection by the defense.

When the court convened at 3 p. m. Colonel Eddy waived his opening statement for the defense. As the train was late from the north upon which were two witnesses Mr. and Mrs. J. C. Travers, of Imlay, Humboldt county, Thomas M. Robbins was called.

Robbins said he was a miner and prospector, and also had been employed by gambling men at Mina. He was present at the shooting. The two men were standing at the bar, he said, and after some words Baker ran for a cue which was taken away from him by Taylor. Baker then hurried around the end of

the bar saying, "It's a gun fight you want?" Here the witness was asked to demonstrate to the jury and go through Baker's movements with the aid of a model of the bar in the court room, which he did. He showed how Baker went to the drawer, got the gun and walked back head down looking at the gun. Turning suddenly and with gun just above the bar he said he saw it go off. "As Baker turned and pointed the gun I see it go off," he said. "I see the concussion, and the next moment I see Baker fall."

Baker's bullet hit the glass door about eight feet from the floor or about two feet above Grimmett's head. Witness said Grimmett went outside but came back in a few minutes and said he wanted to give himself up, and asked some one to go with him. Court adjourned until 10 o'clock this morning.—Goldfield Tribune.
